

Ottawa Carleton Standard Condominium Corporation No. 718  
POLICY STATEMENT #3 – KEYLESS ENTRY

---

The Board of Directors of Ottawa Carleton Standard Condominium Corporation No. 718 (the “Corporation”) are vitally interested in preserving the safety of its owners, residents, guests, agents, employees, property and assets.

In order to minimize the incidence of unauthorized/unwanted entries into the building through the front lobby doors, the Board has opted, as a general practice, not to issue keyless entry codes for the Mircom system.

The Board reserves the right, at its’ sole discretion to assign such keyless entry codes from time to time, whenever deemed necessary to comply with handicap accessibility issues.
